

Rhode Island Municipal Police Training Academy
Presents
Red Dot Pistol Instructor Development (Four Day)
(July 11 - 14 / 0800 - 1600 Hours)

During this training program, officers will learn how to create training periods of instruction (POI), teach, and employ advanced weapons handling tactics, techniques and procedures, utilized by modern Special Operations Forces. The Special Operations cadre will impart critical skills and techniques reinforced by real world experiences, validated by over two decades conducting Special Operations Missions during the Global War On Terror. This four day course is designed to enhance the officer's ability to generate POI's, teach advanced weapons handling utilizing a Red Dot Pistol Sidearm, and drive standard operating procedures (SOP) development at their respective departments. This training program is intended for all L/E, Military, Corrections, Federal and State ESU/SRT/SWAT personnel.
